Have you been convicted for the possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid (grants, loans, and/or work-study)? (Q31)

A federal law suspends eligibility for some students with drug convictions. Count only federal or state convictions for the possession or sale of illegal drugs if the offense occurred during a period of enrollment for which you were receiving federal student aid (grants, loans, and/or work-study). Do not count convictions that have been removed from your record, or occurred before you turned age 18, unless you were tried as an adult.

If you answer "Yes," you can use an interactive worksheet when completing the FAFSA online, or you can print a worksheet at www.fafsa.ed.gov/q31wksht89.pdf. Based on your answers to the worksheet questions, you can determine if the conviction affects your eligibility for federal student aid.

- Yes

If you have a conviction for possessing or selling illegal drugs, you should submit your FAFSA anyway. You may be eligible for non-federal student aid from state or private sources.

- No
